### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that in addition to the summer use as herein-after designated, the permittee will be entitled to intermittent use during the non-summer season on the basis of not to exceed fifty gallons of water per capita per day. The State retains the right to regulate the use of the water herein granted at any and all times. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.01

cubic feet per second, and not to exceed 6500 gallons per day between June 1st and September 15th of each year.

Actual construction work shall begin on or before May 19, 1950

Proof of commencement of work shall be filed before June 19, 1950

Work must be prosecuted with reasonable diligence and be completed on or before May 19, 1952

Proof of completion of work shall be filed before June 19, 1952

Application of water to beneficial use shall be made on or before

May 19, 1953. Proof of the application of water to beneficial

use must be filed with State Engineer on or before June 19, 1953

JUN 3 1949

Map Filed JUN 13 1950

Proof of commencement of work filed JUN 10 1952

Proof of Completion of work filed JUN 16 1953

WITNESS MY HAND AND SEAL this 29th day of September, 1949
